vineyards*

The label of Musée is an original daguerreotype of Merlot grapes from Bedell's vineyards, executed by artist Chuck Close in 2007. The work was produced exclusively for this wine.

MUSÉE 2007

This is the third vintage of the Musée and a very special production - our finest wine, from our finest vineyards. Musée is produced from the best grapes of harvested in that vintage. This year the wine is constructed of 73% Merlot, 11% Cabernet Sauvignon, 11% Petit Verdot and 5% Syrah from our Wells Road and Bedell Estate vineyards. The finished wine is extraordinarily complex and compelling. Aromatically it is redolent with black and red plums, black-berry, currant, pomegranate, toast, vanilla, cocoa and lightly fragrant exotic spice. With aeration, the nose changes and gains every few minutes and provides a fascinating study in aromatics. The wine is silky in texture, especially full in the mid-palate and mouth-filling, with a medium to medium-full body and lovely, long finish of roses, berry and cedar. Musée is well balanced enough to be aged successfully for up to 15 years or more, while improving for the first 10 years. Musée bottles are wrapped in tissue to protect the artwork, and packed six to a case, in a branded wood box.

With vines planted in 1980, Bedell Cellars has been owned since 2000 by Michael Lynne, a film executive and art collector. His commitment to producing world-class wines from the North Fork of Long Island is evident in the bottle. Visit our website at www.bedellcellars.com.
