ESTATE MERLOT 2007

Merlot is arguably the most important grape grown on the North Fork. Our conditions here are favorable to producing a balanced, rich and complex wine similar to European versions rather than some higher alcohol, less complex California Merlots. The excellent 2007 vintage produced a wine of medium body and bright color. The nose is solid, more four-square than round in its impression. It is full of intense black plum, blackberry, briar, toast, cedar and a light vanilla note. There are very fine, medium tannins, and a full mid-palate. The acidity is uplifting and refreshing, and balances a dense core of red and black fruit flavors. This is a long, complex wine—sleeker, and more refined than in years past.

With vines planted in 1980, Bedell Cellars has been owned since 2000 by Michael Lynne, a film executive and art collector. His commitment to producing world-class wines from the North Fork of Long Island is evident in the bottle. Visit our website at www.bedellcellars.com.
